

CeU-Award

CeU loves K♥nst

The **Club of European Women Entrepreneurs e. V. (CeU)** was founded by Kristina Tröger with the support of 40 female entrepreneurs on December 4, 2015 in Hamburg. The rapid growth, to currently 700 women entrepreneurs, shows that the time was more than ripe for this **new and modern network** of successful female entrepreneurs **that aims to promote women in business in a non-partisan and independent manner.**

The association sees itself as *"the modern voice of female entrepreneurs in business, politics and society"*. In almost all sectors, women have a harder time than their male colleagues. With the **CeU Award "CeU loves K♥nst"**, we aim to deliberately promote and celebrate female artists.

After our wonderful success in 2023 we will be presenting the award again in 2024. **It is a particular honor that this award is the only art prize in Germany that is exclusively dedicated to women, since the Gabriele Münter Prize was last awarded in 2017.** We are delighted about the competent support from art historian, columnist, art consultant and CeU member Mon Muellerschoen, who will support this art prize with her expertise and know-how.

With the vote of the **CeU**, the Club 2024 will select the award winners for the 2nd time. The target group is young female artists up to age 40. The candidates can apply themselves or be nominated.

The competition is advertised throughout Germany, within the **CeU, by the sponsors, partners and in the media for six months before the award ceremony.**

The prize is intended to **show public appreciation** for the award-winning artist and be **an incentive** for others, as well as set social, **high-profile accents**. It promotes the artistic achievements of women to highlight their importance in business, politics and society.

The prize money for the award recipient is € 7,000. There will be further prizes of € 3,500 and € 2,000 for the runners up. A free CeU membership for two years rounds off the winnings and creates a connection to the CeU and thus to successful female entrepreneurs.

The exhibition of the finalists' works will be at the Mandarin Oriental Hotel from the evening of the Gala on October 14, 2024 until December 01, 2024.

The **jury** consists of Mon Muellerschoen (Art Consultant), Petra Winter (Madame), Dominik Reiner (GM Mandarin Oriental), Julia Jenisch (Chairwoman of the Förderkreis Deichtorhallen), Janna-Lena Baierle (HISCOX), Nicoline Wöhrle (WALA Foundation & Dr. Hauschka), Sophie Neuendorf (Artnet), Prof. Dr. Dirk Boll (Christies), Ira Stehmann (Kunstgalerie Fine Art), Ingrid Lohaus (Galerie Lohaus Sominsky), Prof. Dr. Jetta Frost (Vice President Excellence University of Hamburg), Dr. Michael Zoller (Curt Wills Foundation) and Kristina Tröger (CeU President).

Prominent guests:

Prof. Dr. Dirk Boll, Deputy Chairman 20th & 21st Century Art, Christie's, will give the **keynote speech**.

The **festive award ceremony** will take place on **October 14, 2024 at the "Hotel Mandarin Oriental"** in Munich at 6 pm with members and selected guests.

Partners: Mandarin Oriental, HISCOX, MADAME, WALA Foundation & Dr. Hauschka, Steinhauer & Lück, Curt Wills Foundation
